

XOJET[®]

Hawker 800XP

For mid-range flights, XOJET's new fleet of Hawker 800XP jets is a stylish and comfortable aircraft. The Hawker 800XP is one of the most popular mid-size jets in the world, delivering the value you want for mid-range flights without any compromise in luxury or experience.

For the XOJET fleet, we've completely upgraded and customized the Hawker 800XP aircraft to our exacting standards. The spacious cabin has been elegantly redesigned to meet the demands of XOJET clients with in-flight Wi-Fi and completely updated interiors for superior comfort.

We've also added Hawker Winglets to our 800XP to enhance its performance, and have made significant preventive maintenance and safety upgrades that far exceed FAA requirements. For an economical, comfortable trip on mid-range flights, the XOJET Hawker 800XP fleet is the perfect way to fly.

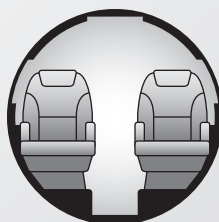

**Technology, comfort
and convenience**

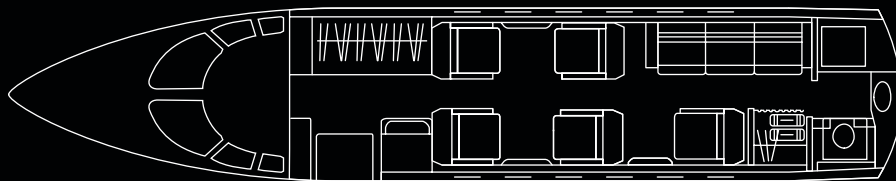

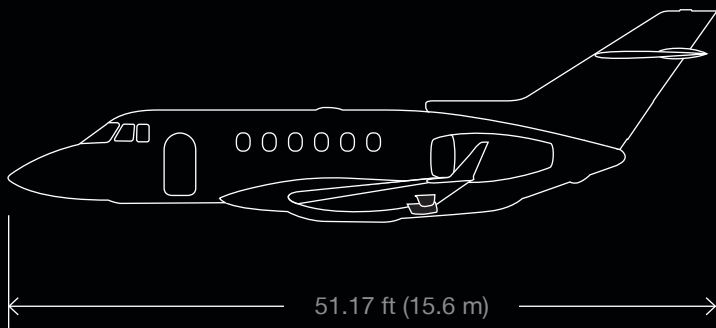

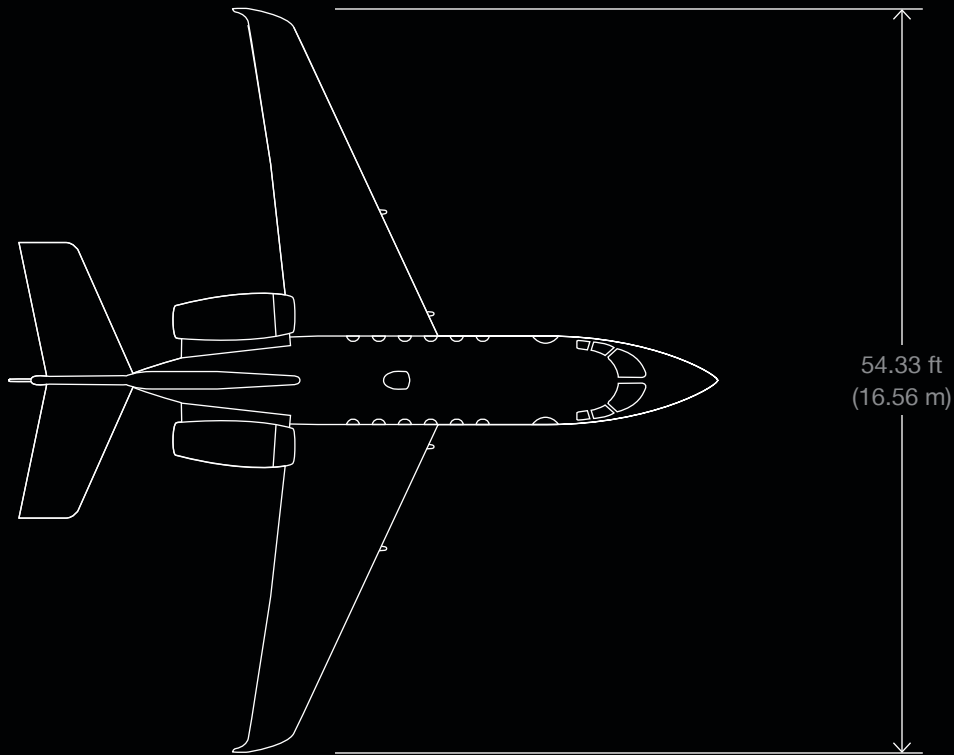

All XOJET Hawker 800XP jets have been completely customized to meet XOJET's exacting standards with luxuriously upgraded interiors and complimentary Wi-Fi on every flight.

Comfort and economy

With a height of 5'11" and a width of 6', the Hawker 800XP boasts the largest cabin in its class, making it an exceptional value for short and medium-range flights.

The spacious cabin has been redesigned to meet the demands of XOJET clients. It features in-flight WiFi and upgraded interiors.
