

XOJET's Coast2Coast™ is the first private aviation program designed around a specific flight profile. Coast2Coast offers customized benefits to people who regularly fly coast-to-coast. The program offers guaranteed access to XOJET's 100% Wi-Fi enabled fleet of Challenger 300 and Citation X super-mid jets with no black out days, ferry charges, lock-in fees or exit penalties. This risk-free and fully-guaranteed access is available at 25-50% less than comparable private jet programs. For more details, please call 877-599-6538, or visit www.xojet.com/coast2coast

What you get

With the highly flexibly XOJET Coast2Coast program:

- Receive guaranteed Access to the XOJET fleet of Challenger 300s and Citation Xs
- Fly the youngest fleet in the industry with an average age of just 3 years
- Enjoy exclusive access to a dedicated Owner Services representative
- Travel anytime on over 100 unique routes between 27 U.S. East and West Coast airports
- Optimize and extend your current fractional or card programs
- Maximize your productivity with in-flight Wi-Fi on 100% of the XOJET fleet

What you pay

Our simple pricing offers 25 hours on transcontinental routes on our Citation X or Challenger 300 jets for only \$115,000. An unprecedented value with none of the risks:

- NO** commitment or lock-in fees
- NO** exit penalties
- NO** ferry charges
- NO** blackout days
- NO** flight cancellation fees
- NO** schedule change fees

How it compares

XOJET Coast2Coast is 25-50% less than comparable private jet programs:

	Citation X	Challenger 300
XOJET COAST 2 COAST	\$115,000	\$115,000
NetJets / Marquis	\$254,900	Not Available
Flexjet	Not Available	\$209,000

Note: Terms and conditions apply. Prices above are based on 25 hours of flight time and do not include fuel or applicable taxes.
