

Membership

XOJET's innovative Membership program offers high quality guaranteed availability in the most flexible, low-cost program in the market. By working with your specific travel profile and financial priorities, we give you better service and better value than you can find in any other program on the market. In fact, our pricing is up to 30% lower than that of our competition. XOJET Membership is perfect for companies and individuals flying 50 hours or more each year that want the predictability of guaranteed jet availability—but don't want to pay the capital required by other programs. For more details, please call 877-599-6538 or visit www.xojet.com/membership.

What you get

A highly flexible Membership program that provides:

- Guaranteed Access to the XOJET fleet of Challenger 300s and Citation Xs
- 365 day guaranteed availability
- The youngest fleet in the industry with an average age of 3 years
- Exclusive access to a dedicated Owner Services representative
- No black out days
- Secure multiple jets simultaneously
- Access to a range of aircraft types through the XOJET Preferred Operator Network
- High speed in-flight Wi-Fi on 100% of fleet
- Standard catering included at no additional charge

What you pay

XOJET Membership is on average 30% less than competitors, you pay:

- A low Membership fee
- The lowest XOJET market price for every trip
- No ferry fees for worldwide service with advance notice
- No remarketing fees
- No exit fees—you can walk away any time with 90 days notice
- No expiration on flight hours at end of term

How it compares

XOJET has revolutionized the way private jet membership is viewed and has reset expectations for service delivery and quality. See how XOJET compares to other leading fractional providers:
