

XOJET®

Welcome to a

NEW ERA *of* FLYING.

XOJET is about choice and control, providing modern day flyers with the industry's leading alternative solutions to jet cards and fractional ownership. We offer a complete suite of private jet solutions—from on-demand charter to customized flight programs – to over 7,000 of the world's most sophisticated private aviation consumers, including many of you. Without locking you into options you don't want or need, discover the XOJET difference and learn why our business model is changing the way the world flies privately.

OUR SERVICE PROMISE

We are unlike any other private aviation company out there.

Most operators are focused on planes and programs. XOJET is completely obsessed with what really matters: people.

Our mission is to be the trusted advisor and service provider of choice to the world's most sophisticated clients – both businesses and individuals.

Naturally, this means doing everything we can to deliver what you want. But sometimes it means providing service, advice, or amenities you don't even know you need.

Whether that's customizing a flight solution, taking care of special requests, providing transparent advice, or offering the best onboard experience the industry has to offer—XOJET is committed to enabling you to do one thing:

Take Command.™
